

Beneath the stars

Lies glimmers of hope

Untold stories

Treasure chests of memories

Love that burns bright in the darkest hours

Friendship that is unbreakable

Beneath the stars

Lies painful hardships

Deep hatreds

Haunting memories

Regrets that burn up hope

Hurt that's treasured bitterly

Beneath the stars

Lies entwined love and hate

Hope for the future

Gratitude for the present

Mixtures of emotions

Families and friends

Beneath the stars

Lies our world

***By Ada Bateman, Widcombe Junior School winner of the MSF Literary Trophy – Poem
